Certificate of Destruction Letter for Personal Computers, Hard Drives & Components

To Whom It May Concern:

This letter serves the purpose of certifying that Milwaukee PC and its Down Stream Processors will shred all the hard drives, motherboards and other assorted board materials collected on by Milwaukee PC in accordance with the eCycle Wisconsin Program. Milwaukee PC certifies that it carries current letters of destruction from all Down Stream Processors that various metallurgical steps including shredding, grinding, screening and melting will completely destroy all electronically stored data on all components and PC's dispositioned to Milwaukee PC.

Sincerely,

Thomas Canzoneri
eWaste Coordinator
